

Student Survey.ie

BARRIERS AND BRIDGES: USING AUTOMATED ANALYSIS TO ENHANCE STUDENT ENGAGEMENT

Feedback Request

The subgroup of the StudentSurvey.ie Analysis and Impact Group working on this project would be grateful to know the following.

1. Would you use such a report automation tool?

Yes	<input type="checkbox"/>
No	<input type="checkbox"/>

2. Is the proposed content aligned to what you currently include in your reports on the results of StudentSurvey.ie?

Yes	<input type="checkbox"/>
No	<input type="checkbox"/>

3. If you answered no to the question above (or yes but you have more ideas to share), what would your top three features of a report automation tool be in order to align more closely with your analysis needs?

- 1.
- 2.
- 3.

4. What would encourage you to use these resources?

5. What would discourage/ prevent you from using these resources?

6. Where and how would you use the outputs of the automated reports, i.e., who would your audience be and in what contexts?

Your feedback will inform the completion and roll-out of this tool.
