

## Revised StudentSurvey.ie Objectives

### Why do we run these surveys?

The main reason for the surveys is to provide benefits to each institution and its students by helping to improve feedback and appropriate follow up action. The objectives of StudentSurvey.ie are:

- To increase transparency in relation to the student experience of and engagement with higher education.
- To enable direct student input in expressing their experience and engagement with their higher education institution.
- To facilitate higher education institutions' efforts to reflect that engagement and those experiences in their policy and practice in an impactful way.
- To help institutions identify areas of strength in how students engage, so they can continue and strengthen these practices.
- To help institutions identify areas requiring further development or improvement in how students engage so they can respond.
- To serve as a guide for continual enhancement of institutions' teaching and learning and student engagement.
- To facilitate comparison with other higher education systems nationally, sectorally and internationally.
